

Have a FUN FAIR at your PICNIC, PARTY or FUN DAY!

☞ The Fun Fair consists of a midway of colorful booths with skill games and prizes. A Fun Fair provides exciting and challenging entertainment for the attendees at your event. We can program the prizes to appeal to all age ranges, from kids to adults. Whether your event is a company picnic, corporate party, convention fun, or family event, we will make sure that the participants go away with great prizes, appropriate to the theme of your event!

☞ The prices below are quoted using our "Hinge Booths", which provide a colorful front with valence but no cover. For an additional charge, we can provide "Canopy Booths" which have canvas covers to provide shade and protection from the elements.

☞ Prices quoted below do not include game operators. Most groups prefer to have their own employees run the games for community building and interaction. Your money goes furthest when you provide personnel to help set-up and take-down the midway (minimal time involved and under Fund Resources direction.) However, we are glad to do the complete set-up and take-down for you, and to provide operators to run the games. Rates are quoted below.

☞ Delivery and pickup is extra, however, many groups also arrange for Fund Resources to provide **inflatables, concessions, tables, chairs, tents, etc.** for the event, so let's see what you are planning - we can quote the most economical delivery fee.
