

The merchandise selection for your school will be personalized to meet your specific needs. Approximately, 110-130 different items are chosen from the list below AND from our selection of stock merchandise in an effort to provide a wide choice in each price category. Selection may vary for each school. School chooses desired "Retail Price" from choices below depending on how much profit the school wishes to make. For a fund-raiser, we recommend the 25% profit margin. You should consider 10% pricing if you wish to offer an extra bargain to everyone.
